

October 20, 2011

Greetings,

This letter is to inform you that we will begin construction activities on the western edge of the San Antonio Center, which is the former location of Sears and Rite Aid buildings located at 455 San Antonio Road. Demolition activities have already taken place, and new construction will commence November 1, 2011. Due to the size of the project there will be different building completions throughout 2013.

First portion of residential and retail construction is scheduled to be complete around February 2013, and the final buildings will be complete December of 2013. These dates are tentative timeframes and subject to change pending weather and other variables.

We look forward to being a good neighbor over the next couple of years as we proceed with the residential and retail project that has been approved for this location. Information on the project can currently be found at [www.sanantoniocenterproject.com](http://www.sanantoniocenterproject.com). You can contact me with any comments or questions at [info@sanantoniocenterproject.com](mailto:info@sanantoniocenterproject.com)

Sincerely,

Kimberly Hoeksema  
Senior Vice President of Construction
